

Thursday, January 17, 2013 12:30 to 1:30 PM Santa Clara Senior Center Room 232

Join us for our January program when Dr. Bobbie Plough, Superintendent of the Santa Clara Unified School District will join us to highlight the School District.

- Learn how to stay involved with our schools.
- Hear about volunteer opportunities available for seniors who would like to share their time and experience with our local students.
- Find out how you may become involved with citizen committees for school bond measures.

We will learn the three main goals the Santa Clara Unified School District is working on this year:

- Ways to increase student achievement and how the District is working to achieve this goal.
- Efforts to share information and increase communication regarding academic programs.
- Services to better serve students, families, and community members.

We will hear the latest budget updates and will learn about the senior parcel tax and how it affects us.

This program is open to all. Bring a friend. No pre-registration is required. Bring your lunch if you like.
